

The Town of Wrentham is moving into the final phase of preparation for installing a new Veteran's memorial on the Town Common, now that full funding has been secured. The Persian Gulf Veteran's Memorial will be emplaced on the same line that currently holds the World War II, Korean War and Viet Nam War memorials.

The final preparation is focused on fully identifying veterans' names to be engraved on the monument. Several government databases will support this but to be as comprehensive as possible the Veteran's Agent is encouraging anyone that meets the following criteria to submit their information by September 30, 2020.

The criteria is as follows:

Any Active Duty, Reservist, or Guardsman that served during the period August 2, 1990 to present and listed Wrentham as their Home of Record (HOR) upon entering the service; or served during the period, is a current resident, and has not had their name emplaced on a similar monument in the HOR.

In order to ensure information is complete and not duplicative, service members are encouraged to complete and return the short questionnaire on page 2. This is especially important for anyone who entered service from a town other than Wrentham. This will require a copy of the service member's DD-214, Certificate of Release or Discharge From Active Duty, or another appropriate document of service. Anyone who is not able to complete the questionnaire on-line may contact Wrentham's Veteran's Agent, Rebecca Jennings, at 508-699-0120 or Wrentham Selectman Jerry McGovern at 774-571-0811.
